

Serial No. 10/021,153

4

BOE 0279 PA

**REMARKS**

The Applicants would like to thank the Examiner for review of the present application and the allowable subject matter. Claims 17-19 and 21-28 are pending in the above application. Claims 17-19 and 21-26 and 28 were found to be allowable. Claim 27 was rejected under 35 USC 112, second paragraph as being indefinite. The office action states that it is not clear how metal foil can be an uncured film. The office action further states that Claim 27 would be allowable if amended to overcome the rejection.

**Applicant's comments**

The Applicant has respectfully amended claim 27 to remove the conflicting statement of metal foil being a subset of an uncured film. The Applicant, therefore, asserts that Claim 27 in addition to the other recognized allowable claims is in proper form for allowance. The Applicant would like to thank the Examiner for his assistance in the prosecution of this applicant.

**CONCLUSION**

The Applicants would like to thank the Examiner for his assistance. In light of the above amendments and remarks, Applicants submit that all objections and rejections are now overcome. Applicants have added no new material to the application by these amendments. The application is now in condition for allowance and expeditious notice thereof is earnestly solicited.

Should the Examiner have any questions or comments that would place the application in better condition for allowance, the Examiner is respectfully requested to call the undersigned attorney.

Respectfully submitted,
